STANDARD FEATURES

Safety Chains

Heavy-duty safety chains with GVWR-rated grab hooks are built tough for years of dependable service.

Drop Leg Jack

Bolt-on 12,000-lb jack with drop leg.

Heavy-Duty Bent D-Rings

Forged D-rings for your trailer to handle even your toughest hauling requirements.

Adjustable Hitch

Accommodate a wide variety of towing vehicles with an adjustable 4-bolt hitch rated for the full GVWR of the trailer.

Toolbox

The conveniently located toolbox is roomy enough to store chains and tools and, because it is lockable, it is secure enough for you to do so with confidence.

Bolt-on Spare Tire Carrier

Optional feature that allows you to safely mount and easily remove a spare tire.

Safety Headboard

The safety headboard provides extra dimension of safety and load-hauling security.

Oak Decking

All TKLP models come with 1.5" nominal oak decking that is double screwed to cross members to prevent cupping. This deck will stand up to years of rugged service.

Break-Away System

Sealed electric break-away system on TK20/24 models with electric brakes located in tongue area.

BUILT TO OVERCOME

EVERY DAY CHALLENGES.

Axles, Wheels, and Tires

Truck-type axles and wheels, oil seal hubs, and radial tires are standard equipment. So you not only get the right equipment for the job, you also get less down time, easier maintenance, and long service life.

I-Beam Crossmembers

Crossmembers consist of 80,000 psi yield beams spaced for maximum strength and deck life.

Extended Beavertail

A full 60" beavertail comes standard, allowing for a lower load angle and increased loading ease and safety.

Note: Ramps shown with new optional bolt-on knife edge.

Lightweight Ramps

Lift one and see for yourself...Trail King self-supporting 60" ramps with spring-assist are lightweight, strong and easy to handle. Choose between standard ladder-type or optional wood-filled.

Protected Electrical System

Features rubber-mounted, shock-proof, sealed lights and rubber grommets for all wiring through the frame for longer, trouble-free, low-maintenance performance life.

PEOPLE. PRODUCT. PERFORMANCE.

COMPREHENSIVE SUPPORT. UNMATCHED SERVICE.

Whether you own a premium Trail King trailer or you are looking to own one, you can still have access to our comprehensive PEAK PERFORMANCE™ Aftermarket Programs:

PEAK PARTS
PERFORMANCE

Instantly access over 10,000 on-hand parts and a variety of online tools. All Trail King Certified dealers, fleets, and serviced facilities can place same-day shipping orders for convenient and efficient ordering. Customers looking for more information can contact a local Trail King dealer or submit direct inquiries to trailkingpartssupport@trailking.com.

PEAK REFURB
PERFORMANCE

Extend the life of your trailer and increase future resale value by restoring it to near-peak performance through Trail King's factory refurbishment program. Customers can request a free estimate for comprehensive refurbishments or specified repairs by visiting www.tkpeakperformance.com. Our expert technicians specialize in Trail King equipment, but we also welcome other trailer brands.

PEAK FINANCE
PERFORMANCE

Competitive rates and flexible terms designed to make a Trail King purchase affordable, convenient, and secure. Trail King's innovative payment program operates with an understanding of the changing demands a customer's business faces. Our full suite of financing structures, including Loans, Finance Leases, and TRAC Leases, makes it easier than ever before to own a Trail King trailer.

Trail King is the leading manufacturer of open deck and materials hauling trailers for the asphalt paving, construction, commercial hauling, agriculture, and specialized transport industries. With a network of almost 400 dealer locations across the U.S. and Canada, Trail King is there when you need us. Our dedicated teams of customer service professionals are available 24/7 to serve you.

We know that your bottom line is important to you and it's our commitment to make sure you achieve the lowest cost of ownership with the highest quality trailers offered in the market.

A Trail King trailer won't just get the job done — it will get the job done *right*.
